COMMITTEE ON ARMED SERVICES

June 28, 1963

Honorable John McCone
Director, Central Intelligence Agency
Washington 25, D. C.

Dear Mr. McCone:

Reference is made to your statement for the Subcommittee staff's use dated February 25, 1963, on Cuban Subversion in Latin America. *attached*

I have been instructed by the Subcommittee's Chairman, Senator John Stennis, to secure the latest information available with respect to subversive, revolutionary and agitational activities from Cuba to other Latin American countries. It is, therefore, kindly requested that any additional information you may have in these areas be provided by either updating your report or otherwise as you deem appropriate.

In addition, the Chairman desires any information [the State Department might have] concerning (a) the flight of currency from the Latin American countries to other world capitals; (b) terrorists incidents against American diplomats and property in Venezuela; and (c) the burning and destruction of the Military Assistance building in Venezuela. *ORR John P.*

Your thoughtful consideration of this request would be very much appreciated.

Sincerely,

James T. Kendall
